Campbelltown Camden DCC Men's Cricket Round 12 v Western Suburbs Day One – Ghosts Sponsors and Volunteers Day

On Saturday English Test Spinner Monty Panesar completely destroyed the Campbelltown Camden middle order leaving the locals with plenty to do next Saturday. Panesar bowled superbly for the Western Suburbs Cricket Club to finish with 6 for 14 from 12 overs and the Ghosts 1st Grade 9 for 58. Monty left everyone at Raby in no doubt as to why he has played 50 test matches and 197 first class matches.

The Ghosts day started well despite local MP Russell Matheson losing the toss. Russell visited Raby for the morning session and was invited to join Ghosts skipper Scott Coyte for the toss and flick the coin in the air. Wests won the toss and after electing to bat, Adam Coyte took early wickets to have the visitors 6-100 at lunch.

The Ghosts bowled well and were happy to leave the ground to chase 200 when the final Wests wicket fell. Adam Coyte finished with the tidy figures of 5-35 from 16 overs. Adam was well supported by Jason Hayward who finished with 2 for 24 off twelve overs.

The Ghosts batsmen found it difficult to settle at the crease right from the start. The early wicket of the in-form Josh Clarke occurred when the score was 10, Ardil Domingo went on 27 and then five Ghosts wickets fell on 31 as Panesar took complete control.

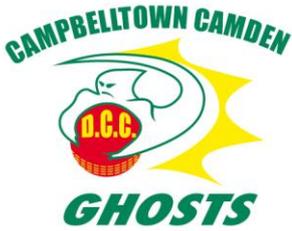

The Ghosts finished the first day 9 down for 58 with Brad Maguire and Hamish Oxley to resume next week. It is hoped these two can salvage some of the deficit and then the Ghosts attack look for early wickets to set up an outright opportunity.

In 2nd Grade at Pratten Park the Ghosts batsmen worked hard on a low, slow playing wicket. Skipper David Ward played patiently for 81 and was well supported by young Zac Churchill who grafted 43.

3rd Grade at home scored 205 and have Wests 1/13 at stumps on day 1. Daniel Constable played beautifully for 79 runs along with Pryan DeZoysa 34.

The Ghosts fourth grade are in a good position at 1/31 chasing the Western Suburbs total of 161. Jeremy McCall took four wickets for the Ghosts whilst Tom Johnson and skipper Jamie Malskaitis took three each.

The Ghosts fifth grade side are in a tremendous position of gaining outright points in their match against the Magpies. The Ghosts already have first innings points having rolled Wests for 67. The Ghosts declared later in the day at 3/190 and have the visitors 1 for 8 leading into to the second day.

Wallace Marshall bowled superbly taking three 3 for 19 in conjunction with veteran Mark Richardson who took 3 for 12. Jarred Lysaught 74 not out and Braedyn Evans 40 made short work of the Wests total.
